

## Complaints Policy

### 1. Purpose

Skill360 Australia is committed to providing quality training and assessment in accordance with the Standards for Registered Training Organisations (SRTOs 2015). As such, Skill360 Australia is required to have a policy and process in place to manage and respond to allegations involving the conduct of staff and learners.

This policy is based on providing and maintaining training and assessment services that are fair and reasonable and afford a forum where issues or inadequacies can be raised and resolved. This process provides opportunity for complaints to be recorded, acknowledged and dealt with in a fair, efficient and effective manner.

The object of this policy is to ensure that Skill360 Australia staff act in a professional manner at all times. This policy provides clients with a clear process to register a complaint. It ensures all parties involved are kept informed of the resulting actions and outcomes.
