

CPCCWHS1001 Prepare to work safely in the construction industry (Construction Safety White Card)

Skill360
Australia

RTO1607

This unit of competency specifies the outcomes required to undertake Occupational Health and Safety (OHS) induction training within the construction industry. It requires the ability to demonstrate personal awareness of OHS legislative requirements, and the basic principles of risk management and prevention of injury and illness in the construction industry. Successful completion of the course will give participants a Statement of Attainment and a Construction Safety White Card.

Course Requirements

100 Points of ID.
