

First Aid Course

HLTAID009 - Provide cardiopulmonary resuscitation

HLTAID011 - Provide First Aid

Gain first aid knowledge or update your certification with this course that gives the skills to provide a first aid response in a range of situations, including community and workplace settings.

This course is delivered by completing approximately 6 hours of online study and assessment, followed by 1 day of practical training and assessment.

Theory assessment must be completed prior to attending the 1 day workshop.

COURSE COSTS

For students requiring both HLTAID009 - Provide cardiopulmonary resuscitation and HLTAID011 - Provide First Aid, the full fee is \$150.00

For students only requiring an update to HLTAID009 - Provide cardiopulmonary resuscitation, the fee is \$65.00

Course is held every 2nd Tuesday at Manunda and Shailer Park, QLD. For upcoming course dates visit www.skill360.com.au/courses/
