

Medical Administration

Training and Staff Solutions

Help to expand your workforce!

Skill360 can service all the recruitment and training needs for your medical or allied health services business, reducing the hassle and paperwork for onboarding staff.

As a Group Training Organisation Skill360 can:

- Employ and manage your trainee for the duration of their training. Skill360 cover the payroll and other legal compliances, simply invoicing you as the Host Employer.

As a Registered Training Organisation (RTO:1607), Skill360 can:

- Deliver the training qualification - BSB30120 Certificate III in Business (Medical Administration).

Skill360 mentor and support the trainee for the duration of their traineeship, ensuring they successfully complete their qualification and are satisfying your business administration needs.

Looking for Medical Administration staff?

Contact Skill360 today to discuss your needs.
