## Prepare to Work Safely in the Construction Industry (White Card)

This unit of competency specifies the mandatory work health and safety training required prior to undertaking construction work. The unit requires the person to demonstrate personal awareness and knowledge of health and safety legislative requirements in order to work safely and prevent injury or harm to self and others. It covers identifying and orally reporting common construction hazards, understanding basic risk control measures, and identifying procedures for responding to potential incidents and emergencies. It also covers correctly selecting and fitting common personal protective equipment (PPE) used for construction work.

This qualification has replaced CPCCWHS1001 Prepare to Work Safely in the Construction Industry as of 7th April 2022. A transition period applies to enable current students to complete their study. The transition period finishes on 6th April 2023. If required, enrolments will be transitioned into the replacement unit of competency.
