

Micro Business Skill Set

BSBSS00102 - Micro Business Skill Set

Turn your business idea or existing small business into a viable business! The Sky is the Limit!

This Skill Set provides individuals an introductory overview of the skills and knowledge required to both investigate and plan for the development of a new micro business.

It's ideally suited to those establishing or operating a business providing self-employment, as well as those establishing a new venture as part of a standalone or larger organisation, this course provides an overview of business functions including:

- Investigation of business opportunities
- Research required to formulate business plans
- Development of business plans for achieving goals and objectives
